

How to Unblock an Email Using Gmail

You have a number of options.

Sign in to your account at Gmail.com

Option 1 - Add the Address to your Contacts

Add the email address to your Gmail Contacts. This usually works.

Option 2 - Create a Filter

Create a filter to tell Google to allow email from Math Challengers.

- Click the gear/cog icon in the top-right corner, then Settings
- Click on “Filters”
- Create a new filter
- Enter Mathchallengers.ca as the domain of the email you want to unblock in the “From” field
- Click “Create filter with this search.”
- “In the box called “When a message arrives that matches this search,” select Never send it to spam.”
- Click the “Create filter” button.

Option 3 - Mark messages as ‘Not spam’

If you have received an email, but it was put in your Spam folder.

- Open the Spam folder.
- Select the email(s) from Math Challengers.
- Click on “More” and then “Not Spam.”
